

Course	Internship in Taiwan I
Course No.	
Credits	3 Credits
Grade	1 Year
Timetable	Spring by appointment
Instructor	Hsinyu Lee
Course Overview	Students enrolled in this course participate in internships at corporate sites and/or private research establishments to study corporate culture in Taiwan. Internship sites are chosen from either selected companies holding written agreements with the university, or other sites selected by the student and approved by the relevant program committee. Following their internships, students compile a report about the experience and make a presentation on it to faculty and their peers.
Remarks	Conducted in English. For students of International Joint Degree Master's Program in Agro-Biomedical Science in Food and Health
Course Type	Practical training and experiments
Link between Course Objectives and Activities	Through participation in internships, students will improve both their personal abilities (for coordination and implementation) and their awareness of the professional arena. Students will also give due consideration to the relationship between R & D and social needs with regard to issues in Food and Health.
Academic Goal	<ol style="list-style-type: none"> 1. Students will be able to survey companies and industries for internship, and to participate corporate internships. 2. Students will be able to make a presentation that summarizes their internship experience and what they have learned from it. 3. Students will be able to give consideration to issues related to Food and Health and the relationship between R & D and social demands related to those issues. 4. Students will be able to consider their own personality and preferences in relation to their internship experience, and connect it to their career pathway formation accordingly.
Course Schedule	<ol style="list-style-type: none"> 1. Internship Information Session(s) 2. Participation in Internship 3. Report Submission and Report Presentation
Course Prerequisites and Advisories	Together with the instructor, contact to companies/industries for internship.
